WELCOME TO OBERON ANGLICAN

Dear Oberon Parish.

It's September, and we're already a few weeks into our series in Ezekiel. I know there are parts of this Old Testament book that can be confusing, and I've even been asked by people how it's relevant to us today.

I've found it helpful to be reminded of the unchanging aspects. Of God's holiness, and that despite our sin, that in his mercy, He's made the way for us to

have relationship with him restored. That He changes our hearts from the inside out, as he removes our hearts of stone and replaces them with hearts of flesh. It's such powerful imagery. Only then can we truly be his people, with Him as our God. Written to people some 2 and half thousand years ago, and yet still applicable to us today.

What a gracious God we have.

Please join with me this month, praying for God's transforming power to give us soft hearts that listen to Him and live lives that honour Him, as well as strength to witness His love for us in Jesus to those around us.

Blessings,
Jonny Lush.
